## Mandatory Vaccines for TPL Foundation Employees

The Toronto Public Library Foundation (TPLF) has adopted a mandatory vaccination policy for our staff with the goal of protecting employees, and the people we serve. TPLF's approach is aligned with Toronto Public Library's policy and the City of Toronto's policy.

The health and safety of our staff, our donor community and Library customers has been TPL's foremost priority throughout the pandemic, and mandatory vaccination is one more thing we can do to protect ourselves and each other.
