The Facts

TPL is the busiest
public library
system in the world

1.1 million
people are
registered
Library users

68% of
Torontonians
use TPL

Why invest in the Library?

No other public institution has the reach, infrastructure and community presence to empower people the way TPL does.

“It’s a neighbourhood gathering spot,
provides needed services to residents
and adds knowledge, culture and
enjoyment to all our lives.”

- Nikela, Toronto Public Library user

How your donation helps.

Everything is not equal. We live in one of Canada’s wealthiest and fastest-growing cities, yet not all residents have equal access to the economic, educational, health and social opportunities that are critical to succeed. **Support from Literary Circle donors is directed to Toronto Public Library’s highest priority needs** and helps ensure all Torontonians gain access to the library for the information and resources they need for education, employment, lifelong learning and entertainment.
