

HERITAGE SOCIETY

YOUR LEGACY TO TORONTO'S LIBRARY

You love your library and have left the Library a gift in your Will or estate plan. **Thank you!**

We welcome you to the **Heritage Society**. The **Heritage Society** honours friends whose deferred gifts (bequests, life insurance, RRSPs, TFSA's and more) support Toronto Public Library through the Toronto Public Library Foundation. Sharing your intentions with us better ensures that your wishes will be carried out exactly according to your goals. All information you share is kept in the strictest confidence.

All gifts should be directed to **The Toronto Public Library Foundation**, the non-profit organization that raises funds in support of Toronto Public Library. The charitable number for The Toronto Public Library Foundation is **886554476RR0001**.

Why inform the Toronto Public Library Foundation about your future gift intention?

- ✓ To confirm that your gift plan includes the necessary documentation or wording
- ✓ To ensure that your legacy does the most it can for the areas you wish to support
- ✓ To allow us the honour of recognizing and celebrating your gift during your life
- ✓ Your example will serve as an inspiration to others who might consider a future gift.

What if I would like my gift to remain anonymous?

- ✓ All gifts are treated confidentially
- ✓ If you wish, your gift will simply be listed as **Anonymous** in all the Foundation's recognition vehicles, However, by informing us of your gift, you can still participate in **Heritage Society** events and activities.

How does the Toronto Public Library Foundation recognize future gift intentions?

By joining the **Heritage Society** you will receive, should you wish:

- ✓ Ongoing updates on your areas of interest at the Library
- ✓ Invitations to **Heritage Society** events and other special events
- ✓ Recognition in Library and Library Foundation supporter listings, per your wishes
